

Jakob Had a Little Shadow: Lyrics

Instructions: Sing to the tune of “Mary Had a Little Lamb.”

Jakob had a little shadow, little shadow, little shadow.

Jakob had a little shadow; she watched it shrink and grow.

At noontime it was very small, very small, very small.

At noontime it was very small; it almost wasn't there at all.

In the evening it was very tall, very tall, very tall.

In the evening it was very tall; it stretched to the top of a wall.

Jakob had a little shadow, little shadow, little shadow.

Jakob had a little shadow; she watched it shrink and grow.
